JUDGMENT

Petitioner's grievance is that electric connection applied for is not given to the office cum residence of the petitioner. Standing Counsel for KSEB submitted that petitioner can be granted connection only when local authority gives number to the building because consumer has to be identified with reference to building number. In the circumstances, W.P. is disposed of directing the KSEB to give connection at the applicable tariff as and when petitioner gets building numbered by the local authority and produces proof thereof before the KSEB.
